Door Access & Time Attendance Using IP Cloud VPN Tunnel

Virtual Private Network (VPN) THB Maintenance HQ
To Branch Offices Across Internet Connection Using
IP Cloud

Customer pain point

- ▶ Difficulties to manage staff attendance and calculate overtime which located at several remote site branch
- ▶ Optimize productivity and reduce overhead with centralize attendance system
- ▶ Eliminate overtime cheating with network linked attendance system
- ▶ To manage multi location premises staff attendance
- ▶ Customer does not subscribe fixed IP with TM

Solutions

- ▶ Centralized manage IP network attendance system
- ▶ Provided configuration on attendance system by uplink up all branch with Head office
- ▶ Use Mikrotik dynamic DNS (IP Cloud) for VPN Tunnel
